What is a Full Classic® Car? *A Full Classic® as defined by the Classic Car Club of America is a "fine" or "distinctive" automobile, American or foreign built, produced between 1925 and 1948. Generally a CCCA Classic was high priced when new and was built in limited quantities. Other factors including engine displacement, custom coachwork and luxury accessories such as power brakes, power clutch, and automatic lubrication systems, help determine whether a car is considered to be a "Full Classic®". The complete list of recognized classics may be obtained from the Classic Car Club of America, P.O. Box 346160, Chicago, IL 60634.*

Purpose of the Classic Car Club of America, (CCCA): *for the development, publication and interchange of technical, historical and other information for and among members and other persons who own or are interested in fine or unusual foreign or domestic motor cars built between and including the years 1925 and 1948, and distinguished for their respective fine design, high engineering standards and superior workmanship, and to promote social intercourse and fellowship among the members; and to maintain references upon and encourage the maintenance, restoration and preservation of all such Classic cars.*

A Message from Region Director Dale Lillard

Next year the CCCA National Annual Meeting is being held in Scottsdale starting January 13, 2019. We have volunteered to help with the activities, so expect a call for volunteers next fall.

We continue to explore other activities for next year. Please give us your thoughts and ideas.

Have a great summer.

Dale

Hi, Fellow Motorheads,

As it starts to get hot here in Phoenix most of us put our Classics away—just as members in cold climates do in the winter. It is too hot and uncomfortable to drive them much here. Many of us are heading out of state to a more comfortable climate. We are heading to Carlsbad, California. I am taking my red convertible Mustang to cruise the coast.

It was a busy classic car season, starting out with the Arizona Scenic West Caravan in October last year with 35 Classics visiting our wonderful state. Next season we plan to join in with some of the other car clubs to increase our activities and participation. We had a great event joining the Rolls Royce club and touring the Phoenix Art Museum and Lufty Mercedes Collection.

A few weeks later, we toured the Dennis and Mary Wise car collection at Denali Motorsports, followed by lunch. His collection can be viewed at wiseprojects.org. He has beautiful classics as well as over-the-top hot rods. Thanks also to John Nobile for hosting the event.

The Classic Car Club of America gave our Arizona Region a Special Achievement Award at the National meeting. Congratulations to all of us who help make this a great club!

2017 Regional Awards

At the 2018 Annual Meeting, the Arizona Region placed as follows in a number of competitive awards:

Chuck Conrad Website Award: 3rd Place

Membership Stability & Growth: 4th Place
Dietrich Annual Meeting Award: 4th Place
Judges/Tabulators Award: 8th Place
Activity & Performance Award: 10th Place
McManus (smaller Regions) Publications Award: 11th Place
Bigelow Overall Performance: 12th Place
Steiner Grand Classic Award: 12th Place

The Judges/Tabulators, Dietrich and Steiner awards are based on the percentage of members participating in those activities. The categories are judged for all 29 Regions.

In Memoriam

The Region has lost another valued long-time member, Bob Hannay. Bob and Joanne rarely missed the Region's Annual Meeting, and their bright red 1939 Cadillac V16 Convertible Coupe always lit up the parking lot. A recent (Nov. 2017) communication from him ended with a typical Bob Hannay kicker: "Quote of the day: Before you criticize someone you should walk a mile in his shoes. Then when you start to criticize him you have a one mile head start and he's in his socks." We will miss him. Our deepest condolences to Joanne and their family.

Robert E. Hannay

Robert E. Hannay, 92, of Paradise Valley, Arizona died Sunday after a valiant effort battling pneumonia. He was born in Mt. Vernon, Washington in 1926, the son of John and Margaret Hannay, and grew up in Seattle. He had a B.A. in Economics from the University of Washington, an MBA from Arizona State University and was a member of Sigma Chi fraternity and Beta Gamma Sigma honorary. In 1954 he married Joanne Ives of Seattle and they had three children. Since moving to Arizona in 1960 they have maintained homes in Phoenix and Prescott, and for many years in Mexico. He served in the U.S. Navy for three years during World War II and two years in the U.S. Air Force during the Korean War. He flew for 60 years, owned a variety of airplanes, and was a member of the Quiet Birdmen. He was an entrepreneur, owning and operating a number of businesses, including the design and

development of several residential communities in the Prescott area and later delving into commercial property. He was an author, aviator and philanthropist, and served on many civic, philanthropic and governmental boards and committees. Some of his many passions included reading, with a habit of completing five to six books a week; photography; politics; history and travel. He enjoyed collecting classic cars, rare maps, antique weapons and clocks and objects d'art. An innately curious man, he was constantly learning and challenging himself. His unexpected bouts of generosity surprised many a family member and acquaintance. His special brand of wit defined him and his mental prowess amazed his family and close friends until his dying day. Bob is survived by his beloved wife of 64 years, Joanne, a daughter Diane Smith of Atlanta, a son Craig of Phoenix, seven grandchildren and three great-grandchildren. A son Bruce predeceased him in 2013. A private memorial will be held at a later date. Condolences may be expressed at whitneymurphyfuneral-home.com

Classics Under The Sun

Photos By Dee Pellegrini & Ed Winkler

The Region held its annual Classics Under The Sun fundraiser on Saturday, March 3rd. Members met for lunch at Babbo Italian Eatery, then caravanned over to the Scottsdale Pavilion McDonalds. Some four classics and six non-Classics attended. Each attendee contributed \$35.00, and a total of \$350 was then donated to the Ronald McDonald House charity on behalf of the Region. What a fun way of enjoying our cars, having a convivial lunch and get-together, and helping out others, all at the same time.

Several members of the Region joined a “pop-up” event in conjunction with the Rolls Royce Owners Club on Saturday, April 14th. Organized by Harry Clark, the event began with a docent-led tour of the Iris Van Herpen Fashion Collection at the Phoenix Art Museum.

A couple of the Rolls Royces attending: (above) the Capras' 1951 James Young Silver Wraith, and (below) a 1950(?) Silver Wraith, perhaps Park Ward.

Bottom: Not a Rolls Royce!

Following this, the group moved on to the wonderful Mercedes collection of Dr. Phillip Lutfy, and ended with lunch at the Biltmore Resort.

Above: The stars of the show: a 1934 Mercedes Benz 500K Roadster (the only Classic present), and a 1955 300SL Gullwing

More from the collection: a 1958 220SE Ponton, a 1965 220SE, and a pretty 1966 230 SL with pagoda hardtop

Wise Collection Garage Tour
